Hi Miranda,
I know nothing about EPA's involvement to date. I only know one person in the NEPA group: Teresa Kubo in the Oregon Ops office. I recommend that you call her - I'm sure she can help.

Subject: EIS on Capitol Lake

Hi Laurie,

Do you know of a person in the NEPA group that might know more information about the ongoing EIS work on Capitol Lake (or, do you know anything about whether we've been involved to date)?

Thanks!
